

A person is seen from behind, wearing a headset and looking at a large monitor. The monitor displays a colorful, stylized game environment with various characters and structures. The scene is dimly lit, with blue and red ambient lighting.

**SINCE YOU LOVE  
ESPORTS, WHY NOT MAKE  
A CAREER OF IT?**

**Earn a Bachelor of Science in  
Esports from Harrisburg University?**

- **Great Scholarships**
- **Wide Open, Emerging Career Field**
- **Hands-on Experience** with Collegiate Teams, Event Venues, and Pro Esports Organizations

A HOT CAREER FIELD  
LOADED WITH POTENTIAL  
**YOUR HU ESPORTS BACHELORS  
DEGREE IS YOUR TICKET IN!**

**With an estimated 27% growth increase in the past decade, there's no denying that Esports is a field that's on fire with opportunity. It's no wonder highly skilled industry professionals are in high demand.**

HU is one of only a handful of universities offering an Esports bachelors degree. With your degree you'll have the skills you need to become a ~~game~~ content creator, specialized coach, organizational manager, Esports marketing manager, sports analyst or similar position. The program is not a training ground for players but a way to turn your passion into an exciting career in a growing field.
